

REMARKS/ARGUMENTS

Claims 2-11 are currently pending in the present application. Claim 1 has been cancelled without prejudice.

Formal Matters

1. Applicant hereby petitions for the three-months extension of time required to maintain the pendency of this case. The Commissioner is hereby authorized to charge the fees required by this response to Deposit Account No. 50-2613 Order No. (45098.00007.CON1.P1068) including the petition for extension of time.

Art Rejection

1. Claim 1 stands rejected under 35 U.S.C. 102(e) as being anticipated by Salesky, U.S. Patent No. 6,343,313 ("Salesky"). Applicant has canceled claim thus rendering the Examiner's rejection moot.

Applicant has added new claims 2-11 which more clearly claim the subject matter sought to be protected. Applicant submits that the newly added claims are patentable over Salesky because Salesky fails to disclose, teach or suggest at least the following limitation:

selecting a desired region on the display of a first computer, said desired region including at least one of a specific window on said first display, a currently active window on said display, a window associated with a currently executing application program or the entire display;

Because Salesky does not teach each and every limitation, Salesky cannot anticipate independent claim 2. Applicant respectfully submits that claims 2-11 are allowable at least for the reasons

Amendment Under 37 CFR 1.111
Application No. 10/688,485

stated above. Applicant respectfully requests that the Examiner find allowable all pending claims of the present application.

Amendment Under 37 CFR 1.111
Application No. 10/688,485

CONCLUSION

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 50-2613 Order No. (45098.00007.CON1.P1068).
